UNITED STATES OF AMERICA,) Case No. 2:98-CR-0278-S
Plaintiff,)
vs.)
ROBERT G. WEEKS and DAVID A.) O R D E R
HESTERMAN,)
Defendants.)

* * * * *

Before the court is the motion of defendant David A. Hesterman to extend the motion deadline and continue the trial date in this matter. Based upon the record and representation of counsel, the court finds as follows:

1. The deadline for filing motions in this matter was scheduled for July 28, 1998.
2. Trial was scheduled to begin August 24, 1998.
3. A continuance is required to facilitate adequate trial preparation, in view of the complexity of the case, the length of time the Indictment covers, the location of witnesses and evidence, and the volume of documents to be reviewed.
4. It has been represented to the court that there are no objections to a continuance.

M

5. The ends of justice required by the granting of a continuance of this case outweigh the best interests of the public and the defendant in a speedy trial.

The court, therefore, GRANTS defendant's motion. Accordingly, IT IS HEREBY ORDERED that the motion deadline and the trial are continued without date at this time. The time is excluded under the appropriate provisions of the Speedy Trial Act.

DATED this 9th day of July, 1998.
